President's Waves

Greetings, Divers!

Our September meeting was delayed a week by the threat of Hurricane Dorian during the first week of September. We met at our old Golden Corral location thanks to the efforts of Glen Akins who managed to convince the managers to allow us to use the conferencing room without having to guarantee purchase of 25 meals. Good work, Glen!

We kept the meeting brief but one of the highlights was the award of Junior Diver Certification to Bradley Schofield by his instructor, Chet Tomlinson. We always enjoy welcoming a new diver to our ranks. Congratulations, Bradley, on joining those who get to experience the wonderful sights of the underwater world! We wish you many decades of thrills and excitement on future dives. Stay safe!

The club discussed moving our monthly meetings back to Wednesdays, since some members cannot make Tuesday meetings. By a show of hands the motion passed. We'll be meeting the first Wednesdays of October and November. We also voted on the date for our Christmas party. It will be on Wednesday, the 11th of December. There is no regular club meeting in December.

The meeting was adjourned early for our featured event, the parking lot swap meet. We gathered outside as the sun set to look at gear for trade or swap. Many people went home with new treasures. Awesome!

Next month we'll have nominations for club officer positions for 2020. If you're interested in running for President, Vice President, Secretary, or Treasurer, be sure to be there next month. Every position is open for new leadership, so speak up if you'd like to take a turn at running the show!

See you next month,
Monster Molyneux
